APPOINTMENT OF PROFESSIONAL STAFF OF THE MISSOURI STATE BOARD OF NURSING

The members of the Missouri State Board of Nursing are pleased to announce the appointment of Miss Vivian D. Meinecke, R.N. as Executive Secretary. Miss Meinecke is a graduate of St. Louis City Hospital School of Nursing and Baylor University School of Anesthesia. From the University of Colorado she received a B.S. degree in Nursing and a master's degree in Personnel Services. Miss Meinecke will be primarily responsible for school accreditations.

is also with pleasure that the Board of Nursing announces the appointment of Mrs. Mary Lou Gillilan, R.N., as Associate Executive Secretary. Mrs. Gillilan is a graduate of the University of Missouri at Columbia School of Nursing. She will be primarily responsible for licensure procedures.

RECOGNITION OF AIR FORCE MEDICAL SERVICE TECHNICIAN COURSE

At their November meeting, the members of the Board of Nursing evaluated the proposed Air Force Medical Service Technician Course, Sheppard AFB, Texas. The decision was made to allow the graduates of this program to take the State Board Test Pool Examination for practical nurses.

NOTE OF THANKS

The members of the Missouri State Board of Nursing wish to express their appreciation to administrators and directors of nursing homes and hospitals, to organizations and to other state agencies who have cooperated with and assisted the Board of Nursing in reporting problems with licensees and imposters. The only way the Board of Nursing can effectively carry out its duties as prescribed by law is through the reporting of information by employers. The Board of Nursing commends and is grateful to those helping to fulfill the primary purpose of Missouri's Nursing Practice Act, the protection of Missouri's citizens.

STATEMENTS ON ETHICAL STANDARDS

The schools of professional nursing recently received from the Board of Nursing "Guide for Schools of Professional Nursing on Ethical Practices." These guides were issued in compliance to the requirements of the U.S. Commissioner of Education for recognition of the Missouri State Board of Nursing as an accrediting agency. If you have any questions regarding the interpretation of these "Guides" the Board of Nursing will be pleased to assist you.
